THE YORKSHIRE TERRIER

AKC Breed Standard

General Appearance: That of a long haired Toy Terrier whose blue and tan coat is parted on the face and from the base of the skull to the end of the tail and hangs evenly and quite straight down each side of the body. The body is neat, compact and well proportioned. The dog's high head carriage and confident manner should give the appearance of vigor and self-importance.

Head: Small and rather flat on top, the skull not too prominent or round, the muzzle not too long, with the bite neither undershot nor overshot and teeth sound. Either scissors bite or level bite is acceptable. The nose is black. Eyes are medium in size and not too prominent; dark in color and sparkling with a sharp, intelligent expression. Eye rims are dark. Ears are small, V-shaped, carried erect and set not too far apart.

Body: Well-proportioned and very compact. The back is rather short, back line level, with height at shoulder the same as at the rump.

Legs and Feet: Forelegs should be straight, elbows neither in nor out. Hind legs straight when viewed from behind, but stifles are moderately bent when viewed from the sides. Feet are round with black toenails. Dewclaws, if any, are generally removed from the hind legs. Dewclaws on the forelegs may be removed.

Tail: Docked to a medium length and carried slightly higher than the level of the back.

Coat: Quality, texture and quantity of coat are of prime importance. Hair is glossy, fine and silky in texture. Coat on the body is moderately long and perfectly straight (not moderately long and perfectly straight (not wavy)). It may be trimmed to floor length to give ease of movement and a neater appearance, if desired. The fall on the head is long, tied with one bow in center of head or parted in the middle & tied with two bows. Hair on muzzle is very long. Hair should be trimmed short on tips of ears and may be trimmed on feet to give a neat appearance.

Colors: puppies are born black & tan and are normally darker in body color, showing an intermingling of black hair in the tan until they are matured. Color of hair on body and richness of tan on head and legs are of prime importance in adult dogs, to which the following color requirements apply:

Blue: Is a dark steel-blue, not a silver-blue and not mingled with fawn, bronzy or black hairs.

Tan: All tan hair is darker at the roots than in the middle, shading to still lighter tan at the tips. There should be no sooty or black hair intermingled with any of the tan.

Color on Body: The blue extends over the body from back of neck to root of tail. Hair on tail is a darker blue, especially at end of tail.

Headfall: A rich golden tan, deeper in color at sides of head, at ear roots and on the muzzle, with ears a deep rich tan. Tan color should not extend down back of neck.

Chest and Legs: A bright, rich tan, not extending above the elbow on the forelegs nor above the stifle on the hind legs.

Weight: Must not exceed 7 pounds.

Disqualification: Any solid color or combination of colors other than blue and tan as described above. Any white markings other than a small white spot on the forechest that does not exceed 1 inch at its longest dimension.

Approved April 12, 1966. Approved Addition of DQ October 1, 2007

Dedication of our 2025 Shows to the Memory of
Gloria Martin and **Mary Trimble**

We sadly lost two long time club members this year, Gloria Martin and Mary Trimble.

Our club was established on January 20, 1979, by 13 charter members. In our first round of electing additional members on February 21, 1979, both Gloria and Mary (along with her husband John) joined us.

Gloria was a very, very kind person who always helped others, especially those new to the breed. She bred and showed Yorkies under the Thluka kennel name. She also bred and showed Maltese. She attended just about any and all regional shows and had many champions to her credit. Always a strong supporter of the club, she attended and participated in most every meeting and event we held. She was a lot of fun to be around and had such a joyful spirit with her dogs.

Mary remained a member to the end; some 46 years, serving as President, Board Member, and helping with many other club duties and functions, including being our breeder referral contact. She also was the President of the YTCA Foundation (<https://ytcaf.org/>) for many, many years. It is the YTCAF's mission to support medical research that benefits the health and quality of life of our beloved Yorkshire Terriers.

Mary, who bred and showed her Yorkies under the kennel name of Thimbletip, was primarily involved in breed competition although she did dabble in obedience early on. She had a wonderful sense of humor and always had a tidbit of a story to make you laugh. There are many reasons why we will miss Mary but her engaging personality stands high on the list.
