THE YORKSHIRE TERRIER

AKC Breed Standard

General Appearance: That of a long haired Toy Terrier whose blue and tan coat is parted on the face and from the base of the skull to the end of the tail and hangs evenly and quite straight down each side of the body. The body is neat, compact and well proportioned. The dog's high head carriage and confident manner should give the appearance of vigor and self-importance.

Head: Small and rather flat on top, the skull not too prominent or round, the muzzle not too long, with the bite neither undershot nor overshot and teeth sound. Either scissors bite or level bite is acceptable. The nose is black. Eyes are medium in size and not too prominent; dark in color and sparkling with a sharp, intelligent expression. Eye rims are dark. Ears are small, V-shaped, carried erect and set not too far apart.

Body: Well-proportioned and very compact. The back is rather short, back line level, with height at shoulder the same as at the rump.

Legs and Feet: Forelegs should be straight, elbows neither in nor out. Hind legs straight when viewed from behind, but stifles are moderately bent when viewed from the sides. Feet are round with black toenails. Dewclaws, if any, are generally removed from the hind legs. Dewclaws on the forelegs may be removed.

Tail: Docked to a medium length and carried slightly higher than the level of the back.

Coat: Quality, texture and quantity of coat are of prime importance. Hair is glossy, fine and silky in texture. Coat on the body is moderately long and perfectly straight (not moderately long and perfectly straight (not wavy). It may be trimmed to floor length to give ease of movement and a neater appearance, if desired. The fall on the head is long, tied with one bow in center of head or parted in the middle & tied with two bows. Hair on muzzle is very long. Hair should be trimmed short on tips of ears and may be trimmed on feet to give a neat appearance.

Colors: puppies are born black & tan and are normally darker in body color, showing an intermingling of black hair in the tan until they are matured. Color of hair on body and richness of tan on head and legs are of prime importance in adult dogs, to which the following color requirements apply:

Blue: Is a dark steel-blue, not a silver-blue and not mingled with fawn, bronzy or black hairs.

Tan: All tan hair is darker at the roots than in the middle, shading to still lighter tan at the tips. There should be no sooty or black hair intermingled with any of the tan.

Color on Body: The blue extends over the body from back of neck to root of tail. Hair on tail is a darker blue, especially at end of tail.

Headfall: A rich golden tan, deeper in color at sides of head, at ear roots and on the muzzle, with ears a deep rich tan. Tan color should not extend down back of neck.

Chest and Legs: A bright, rich tan, not extending above the elbow on the forelegs nor above the stifle on the hind legs.

Weight: Must not exceed 7 pounds.

Disqualification: Any solid color or combination of colors other than blue and tan as described above. Any white markings other than a small white spot on the forechest that does not exceed 1 inch at its longest dimension.

Approved April 12, 1966. Approved Addition of DQ October 1, 2007

SCALE OF CH POINTS	1 Point		2 Points		3 Points		4 Points		5 Points	
	Dogs	Bitches	Dogs	Bitches	Dogs	Bitches	Dogs	Bitches	Dogs	Bitches

The Points toward a Championship shall be awarded to the Winners Dog and Bitch based on the actual number of dogs or bitches competing. If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points. If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points. After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater. If no points are available for the Best of Winners, the number of regular class dogs in both sexes are added together and compared to the point schedule. If the total sum of regular class dogs and bitches meets or exceeds the number of competitors needed for one point in its sex, the Best of Winners will receive one championship point. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

As per AKC rule effective July 2026, we offer a 3 point major for reserve winners if their same sex total number of dogs is twice what is needed for a 5 point major.

Champions of Record and dogs which have completed the requirements for a championship but whose championships are unconfirmed that are entered in Best of Breed competition are eligible for Grand Championship competition. Any champion which shall have won twenty-five points shall become a Grand Champion of Record, if nine or more of said points shall have been won at three shows with a rating of three or more Grand Championship points each and under three different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the three judges referred to above and at least one Champion was defeated at three shows. In Memory of Pat Fallon

Pat devoted countless hours to advancing obedience with the Delaware Valley Yorkshire Terrier Club, Inc., the Yorkshire Terrier Club of the Nation's Capital, Inc., and the Yorkshire Terrier Club of America.

She was passionate about her Yorkshire Terriers and thoroughly enjoyed participating in obedience trials, mentoring and training others, and volunteering her time to ensure the success of these events.

Pat's dedication to the sport of obedience and to the preservation and promotion of purebred dogs made a lasting impact on our club and our breed.

Her enthusiasm, commitment, and willingness to help others will be fondly remembered by all who had the privilege of knowing her.
