THE YORKSHIRE TERRIER

AKC Breed Standard

General Appearance: That of a long haired Toy Terrier whose blue and tan coat is parted on the face and from the base of the skull to the end of the tail and hangs evenly and quite straight down each side of the body. The body is neat, compact and well proportioned. The dog's high head carriage and confident manner should give the appearance of vigor and self-importance.

Head: Small and rather flat on top, the skull not too prominent or round, the muzzle not too long, with the bite neither undershot nor overshot and teeth sound. Either scissors bite or level bite is acceptable. The nose is black. Eyes are medium in size and not too prominent; dark in color and sparkling with a sharp, intelligent expression. Eye rims are dark. Ears are small, V-shaped, carried erect and set not too far apart.

Body: Well-proportioned and very compact. The back is rather short, back line level, with height at shoulder the same as at the rump.

Legs and Feet: Forelegs should be straight, elbows neither in nor out. Hind legs straight when viewed from behind, but stifles are moderately bent when viewed from the sides. Feet are round with black toenails. Dewclaws, if any, are generally removed from the hind legs. Dewclaws on the forelegs may be removed.

Tail: Docked to a medium length and carried slightly higher than the level of the back.

Coat: Quality, texture and quantity of coat are of prime importance. Hair is glossy, fine and silky in texture. Coat on the body is moderately long and perfectly straight (not moderately long and perfectly straight (not wavy). It may be trimmed to floor length to give ease of movement and a neater appearance, if desired. The fall on the head is long, tied with one bow in center of head or parted in the middle & tied with two bows. Hair on muzzle is very long. Hair should be trimmed short on tips of ears and may be trimmed on feet to give a neat appearance.

Colors: puppies are born black & tan and are normally darker in body color, showing an intermingling of black hair in the tan until they are matured. Color of hair on body and richness of tan on head and legs are of prime importance in adult dogs, to which the following color requirements apply:

Blue: Is a dark steel-blue, not a silver-blue and not mingled with fawn, bronzy or black hairs.
Tan: All tan hair is darker at the roots than in the middle, shading to still lighter tan at the tips. There should be no sooty or black hair intermingled with any of the tan.
Color on Body: The blue extends over the body from back of neck to root of tail. Hair on tail is a darker blue, especially at end of tail.
Headfall: A rich golden tan, deeper in color at sides of head, at ear roots and on the muzzle, with ears a deep rich tan. Tan color should not extend down back of neck.
Chest and Legs: A bright, rich tan, not extending above the elbow on the forelegs nor above the stifle on the hind legs.
Weight: Must not exceed 7 pounds.

Disqualification: Any solid color or combination of colors other than blue and tan as described above. Any white markings other than a small white spot on the forechest that does not exceed 1 inch at its longest dimension.

Approved April 12, 1966. Approved Addition of DQ October 1, 2007

In Memory of Pat Fallon

Pat was a member of our club for many, many years and was primarily known for her love of obedience. She was our leader for the obedience trials that we presented at our specialty shows. She arranged for the equipment, secured the judges, provided the awards and prizes for those participants that earned a qualifying score, and even conducted fund raisers to cover costs associated with the obedience activities. She was a very organized person, and it was always a pleasure to work with Pat.

Pat also became a respected mentor of others who were training with their dogs in obedience. To say that it was such a comfort to us to have Pat as our one and only obedience chair is truly an understatement.

Pat was always willing to help us in any area of our shows or club business. She served on our Board of Directors and was our Show Chair for several years. One time we were holding a seminar with a veterinarian who had a Power Point program, and no one seemed to know how to get it to function. Pat was at the back of the room, and she quietly got up from her chair, walked to the front table and pushed a button and all was well. She made us all smile in thanks for having Pat as a member and friend.

In Memory of Suzie Kellar

Suzie was very involved with her Yorkies and was always one to help others whenever an opportunity presented itself. She and her husband Pat adopted Noel when she was a child and raised her up in our Yorkie community. Suzie taught Noel how to groom and show her Yorkies to such a high degree of excellence that we all felt a bit in awe of Noel whenever she was in the ring competing.

Suzie was a kind mentor to others, as well. She hosted a top knot seminar at one of our shows to teach others how to achieve a perfect look for their dogs.

Along with her husband Pat, Suzie hosted club picnic jamborees at their home by the water over several summers. These outings were a wonderful way for our club members to come together for a day of fun and relaxation with their dogs.

Suzie was a helpful, caring member of our club and we will all miss her kind and joyful spirit.
